## JAP VICTORIES.

Marshal Yamagata Captures Fong-Fang-Chen.

This Leaves the Road to Moukden Clear for the Japanese.

The Chinese Are Flying Toward Neutral Line. Invasion of Port Arthur Has Been Completed by Sea and Land—Chinese Ships Sunk.

LONDON, Nov. 3.—The Japanese legation has this dispatch, dated at Tokio, Friday:

"The first army, under the command of Marshal Yamagata, has got possession of Fong-Fang-Chen and has defeated the Chinese, who are flying toward Neutral Line. The second army, under Major Ueda, has captured Kin-Chow. Both Taliens-Wan and Port Arthur are in a critical condition."

The Central News learns that the capture of Fong-Fang-Chen leaves the road to Moukden clear for the Japanese. Major Ueda's army is reported to be within striking distance of Moukden on November 10. It is believed that the city is held by a very large but untrained and poorly equipped force.

YOKOHAMA, Nov. 3.—The Japanese have captured Port Arthur. Early Friday morning it was rumored that the investment of Port Arthur had been completed by land and sea, and that the forward movement of both the Japanese armies in the direction of Moukden was being pressed. John C. Wood, who seized the warships now in port, and moreover, can if she chooses dock her own injured craft on the enemy's plant. Wai-Hai-Wei, on the opposite side of the roads, will also doubtless fall into the hands of the Japs. Of course the vast supplies at both ports will be seized by the victors.

Aged Couple Fatally Wounded.

PENSACOLA, Fla., Nov. 2.—A gang of Negro thieves were to the house of Samuel Brown, living near here, late Thursday night, slightly wounded Brown and his wife, who, from Chicago, robbed the premises and escaped through a window. They fired upon Brown as he stood before the fireplaces. He fell, and then the window opened and entered. Brown's aged wife, who was upstairs, heard the shot and struck her daughter with a club. They then ransacked the premises. Besides Brown and his wife, the only other person in the house was a young lady daughter, who was fatigued that to give a shout before day would mean death to her, and hence the robbers escaped. Three Negroes have been arrested on suspicion.

Burglar Killed.

TERRE HAUTE, Ind., Nov. 3.—John Trenek, a commercial traveler, who was present Thursday night at Tan-ping-tang, a Chinese restaurant, where Kord killed an unknown burglar, was here Friday. Trenek was with McCord, going to the latter's store, when they came upon the man, who was leaving with the stolen articles. The burglar stopped and drew a revolver, then fired into McCord's breast. The merchant then fired his shotgun, the charge blowing off the top of the burglar's head. McCord is seriously, but not fatally, wounded. There were two accomplices who escaped. There was nothing on the dead man's person to lead to his identity.

Advancement of Women.

KNOXVILLE, Tenn., Nov. 3.—The Association for the Advancement of Women sent the following cablegram to President Wilson:

Wolcott, New Haven; and assistant, Constance E. Bigelow, Louise A. Stetson, New York. The association received invitations to meet at New Orleans and Salt Lake City."

CITY OF MEXICO, Nov. 3.—A serious earthquake, lasting more than a minute, shook this city at 8:30 o'clock Friday night, and people and horses ran through the streets. It was not known that there was any damage, although all houses were much shaken. Hundreds of persons fell on their knees in the streets and prayed.

Big Betts in New York.

NEW YORK, Nov. 3.—One of the biggest actual bets made on the city election, despite many serial thousands which had been floating about, was that the Republicans would win. William James bet \$5,000 to \$3,500 with L. L. Benedict on Strong, and M. B. Mendan put up \$1,000 to \$4,500 on Morton at the Consolidated Stock exchange.

## SEVERAL MEN SOALED.

A Steam Pipe Bursts at the Edison Electric Works, Cincinnati.—One Fireman Believed to Have Been Fatally Injured.

CINCINNATI.—A number of firemen were in the vicinity of the boilers of the Edison Electric Light Co. at a few minutes before 6 o'clock Friday evening, when, without a moment's warning, the large tube burst with a terrific report, and the next instant steam and water rose like the ocean, encompassing everything in its stinging, burning clutch. The men made frantic efforts to get out of the place, but before they could do so several of them were overcome. The police were notified and patrols and hurried to the place, but could do no good until all the steam had been released from the boiler. Then the officers went down stairs and found that the steam was rapidly freezing water and filling the space to the depth of several inches.

By 7 o'clock the entire cellar was flooded with several feet of water and the damage from this source and from the steam will reach several hundred dollars.

Owing to the fact that all the street lights were out, a large number of police did extra duty during the night, with dark lanterns, the lower portion of the city being patrolled.

Dan Blackman, a colored son, 20 years of age, living at 89 George street, was scalped all over the head, his skin turning a bright red.

Patrol 3 removed him to the city hospital, where his condition was so serious that his friends were notified that he might die any moment.

## REGISTERED THE DOG.

He Is ENTERED IN DUKE FORM AS A DOG.—The

PHILADELPHIA, Nov. 3.—It was learned Friday that a dog was registered in and regular form on the assessor's list in the Eighth ward, as a voter, under the name of "William Rife Faner." Mr. Chapman, the assessor, when Joseph E. Morris, the colored son, came to her house, 1211 Canby street, she gave him the three voters in the house, her husband and two boarders.

"What's that?" asked Morris.

"Vets; all except the dog," replied Morris, in a joke.

"What's his name?"

"Willie, eh? We'll put him down as Willie Rife. You ought to have four voters in this house. If anybody asks you about Willie Rife is tell them he's a lodger."

Moore was arrested Friday and held in \$800 bail.

## WHITE HOUSE DESERTED.

## DUN'S REVIEW.

Much to Encourage the Public is Found Therein.

Volume of Production Maintained and in Some Branches Increased.

Payments Through the Principal Clearing Houses Good—The Failures Continue Small—Breadstuffs a Little Higher, and No Monetary Difficulties.

NEW YORK, Nov. 3.—E. G. Dun & Co.'s weekly review of trade Saturday will say:

"The last week of October, with an unusually large volume of business, was the most active in the history of business. In some trades the season is too far advanced for great activity, and in others the supposed effects of the voting returns are apparent. But it is safe to say that the volume of production is well maintained and in one or two branches increased; that no monetary difficulties disturb; that breadstuffs are a little higher, and that no material decline appears during the week in manufactured products."

"The fact that any decline appears, with slackening in demand for some products, may perhaps be attributed to uncertainties, mainly political in origin, while every increase in the working force helps to make a basis for further expansion. The volume of business transacted is, on the whole, smaller than last year, and much smaller than in 1892, though a presidential election was close at hand."

## Buy American Goods Only!

If every patriotic American will purchase American goods only for his consumption he will lessen the disastrous effects of the Free-trade German Tariff Bill. THE LEDGER invites all to join in such a movement, and to sign the following pledge:

I hereby pledge myself to buy American goods only from the farm, mine or factory, and to put my influence to have others do the same.

## Brown's Iron Bitters

In an unsolicited letter (June 29, 1894) she writes:

"About 9 or 10 years ago I was broken down in health and suffered from extreme nervousness, neuralgic pains, neuralgic pains affected different parts of my body—sometimes the dreadful pain would come over my head, sometimes in my hand and often in my shoulders and neck. I took many remedies, but found none like Brown's from which I have used a few bottles every year since. I often praise it to others."

It's Brown's Iron Bitters you need!
